TO ADVERTISERS.—All advertisements must be handed in by Wednesday morning to insure insertion in season work.

NEWSPAPER DECISIONS.

1. Any person who takes a paper regularly from the post-office, whether directed to his name or another's or whether he has subscribed or not, is responsible for the payment.

2. If a person orders his paper discontinued, he must pay all arrears, or the publisher may continue to send it until payment is made, and collect the whole amount, whether the paper is taken from the office or not.

3. The courts have decided that refusing to take newspapers and periodicals from the post-office, or removing and leaving them unsold for, is prima facie evidence of intentional fraud.

Sleighting.

One sleigh,
One horse,
One moon,
Of course,
One maid, who struggles to you, nothing loth.
One arm,
Well placed,
Around
One waist,
One robe that's closely tucked 'round you both,
A race,
A dash,
A crash,
A crash,
And you and she are sprawling on the way.
A drink,
A little,
A fond
Good-night,
A groan when you look at your purse next day!

BREAKFAST HASH.

36. How often is it that the "wet spell" and the "dry spell" get the credit of bringing about short crops, when the "lazy spell" and the "extravagant spell" had as much to do with the short crop as the weather had. Apply the remedy this year. Begin to economize, but don't begin by stopping your paper and feeding your preacher on "bunks."
37. "It takes 176 paymases and clocks to pay 8,000 officers and men in our navy." One tickle-seller at a circus would perform the work in one month, and have at least twenty-nine days left to go sleighing.
